Ren,
Yo a great
kid; d've had
alot of fun with,
Drinking home Vroo)
Sometimes I got a
little hard to get up in
the morning when you drank
all that day before.
d's been a great 13 yeara
and I hop for many more.

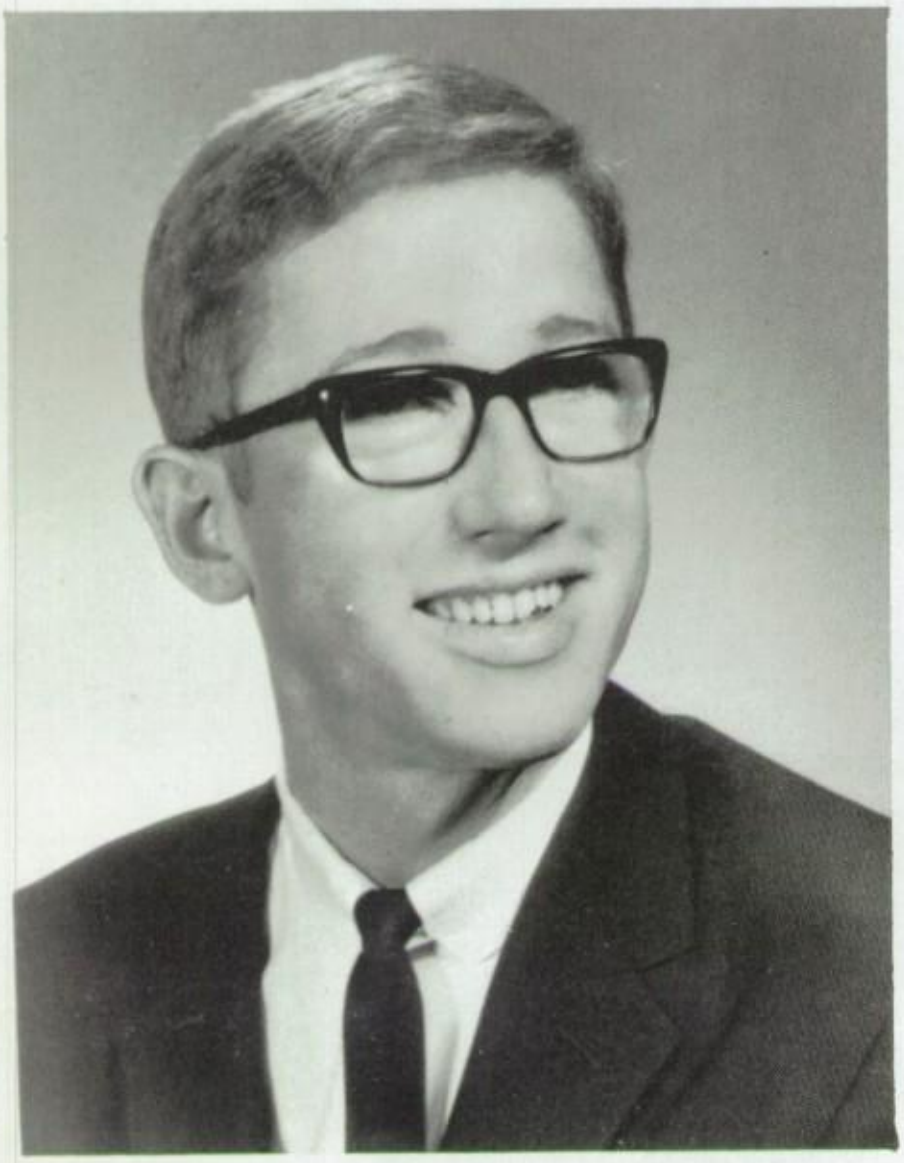
A PUNCHER

This 1967-68 edition of the Big Piney Puncher is lovingly dedicated to the memory of John Michael Crockett, son of Mr. and Mrs. Dale Crockett, of Calpet, Wyoming. Mike, a graduate of 1967, was an outstanding student, a loyal friend, an ideal son and brother, and a responsible citizen.

He is missed by all who knew him.



John Michael Crockett
Born: February 28, 1949
Died: July 9, 1967
Big Piney High School Graduate

I cannot say, And I will
not say
That he is dead--he is just away!
With a cheery smile, And
a wave of the hand,
He has wandered into an
unknown land,
And left us dreaming how
very fair
It needs must be, since
he lingers there.

And you--O you, who the
wildest yearn
For the old time step and
glad return.
Think of him faring on, as
dear
In the love of There as the
love of Here;
Think of him still as the same,
I say:
He is not dead--he is just away.

TO THE PUPILS OF THE BIG PINEY SCHOOL:

Another school year is rapidly drawing to a close. Few of you have accomplished everything you have hoped for during the school year; however, I believe that most of you have gained a tremendous amount in your educational development. I also believe you will, in the future, realize this more than you do today.

I feel that your time spent studying has not been wasted time. You must realize these hours spent learning are a benefit to you now, and in the future. This accumulation of knowledge is for your educational maturation. If your time has been wasted, it can never be regained. I hope, and believe, most of you have, and will continue to make profitable use of your time.

Congratulations to all of you, and especially to the Graduating Class of 1968.

Sincerely,

David W. Bays

Spring 1968

TO THE ANNUAL STAFF MEMBERS, SPOSORS, FACULTY AND STUDENTS OF
BIG PINEY HIGH SCHOOL:

Since time immemorial man has lived in a troubled world. The pattern of our present-day existence is no exception: however, through increasing knowledge a shift of emphasis upon that deemed important has occurred. Yet it is still gratifying to know that an endeavor such as yours will have real meaning (if only in a nostalgic way) as the viewer passes through his future life.

This volume possesses a pictorial study of the people and the events that you as an organized group deemed important in the 1967-68 school year. I can assure you that your efforts have not been in vain: for this annual will afford your future life with many fond memories of a past of which you were an intergral part. You--each of you--have shaped history. You are to be commended in the fine manner in which you have shaped it.

Respectfully yours,

John W. Callemore

It's over!!

The End!

OUR COOKS AND CUSTODIANS

Head Cook: Mrs. Hendricks (A.W.O.L.), Mrs. Hoopes, Mrs. Pearson, Mrs. Hooke, and Mrs. Holgate

Our School Custodian: Mr. Bradley, Mr. Snively, Mr. Whitman

Junior High Custodian: Mr. Snively

These are the people who work hard to maintain our school buildings. Even though they are "behind the scenes," they are as important to us as the prop-men are to a Broadway play. We are all very grateful to them.

CONGRATULATIONS CLASS OF '68

Progress is the most important product of education. Infinity is the limit for progress. Seniors, you are soon going to be graduates and active members of the greatest society of the world. Hold the honor of this station high. Do the title "citizen" justice. It is up to you to set a precedent for a classmates that will eventually follow you after graduation.

I would like to leave you with this thought. It isn't how many years you go to school; it is how much you have progressed to being a mature and intelligent person. Keep up the progress of our country. Contribute to it with your every talent. Good luck to all of you in the future. May your coming years be as happy as the twelve you have just spent.

Sincerely,

Burl Hoopes, Principal
